

Easy, low risk and cost-effective payroll & HR services. A plus for every business

PAYplusHR provides Australian business of all sizes with low risk, high quality, payroll and human resources application processing services.

Increased productivity: Managing payroll can be time consuming. PAY plus HR automates these tasks in its cloud-based payroll system

Compliance: Payroll errors can be expensive for employers. Compliance with Fair Work Commission provides employers surety

Save on Staffing: Cost savings are realised when contracting payroll and HR functions, while keeping the company's records accurate

Easy for New Employees: An intuitive interface makes it easy for new employees to complete onboarding forms without formal training

Your Payroll and HR. Managed.

PAY plus HR is the intelligent system previously out-of-reach for businesses too small for a dedicated payroll department. It provides organisations with a flexible and cost-effective solution that relieves time-consuming administrative tasks and ensures payroll obligations are processed accurately and compliantly.

Our managed payroll service immediately brings businesses of all sizes expert knowledge from a strong team of professionals and cloud-based information systems. We know every client is unique, so a consultative approach is taken every time to provide a solution that will sustain its business goals.

“Don't change your company.
Change the way you work.”

Save on staffing

Keep up with technology and legislative changes

Keep compliant with latest laws

Easy reports and insights

Why use managed services?

Moving to a services contracting model can improve and optimise the management of your payroll and human resource function, as well as significantly reduce your costs by reducing the need for specialist payroll administrative support staff.

PAY plus HR will enable you to reduce your organisation's time and cost expenditure on business systems and create predictable year-on-year Payroll and Human Resources expense budgeting while ensuring your company's legislative compliance - from award updates and company specific EBAs, to changes in taxation laws.

We recognise the need to provide organisations with payroll and HR business solutions to improve service. PAY plus HR can offer implementation flexibility to meet your organisation's unique payroll and HR needs.

Your business will also eliminate the risk of unexpected costs for application software, hardware upgrades, and support and administrative staff, while ensuring your staff are paid accurately and on time. Experience more benefits such as:

- reduced cost
- improved productivity
- accuracy
- reliability
- speed
- insight
- accountability
- flexibility
- security
- peace of mind

Onboarding

End-to-end process in employee commencement, including the lodgement of new employee forms

Compliant Awards

Use our growing library of modern awards to automate your payroll compliance

About PAY plus HR

PAY plus HR is Australia's go-to service provider for payroll and HR business solutions. We recognise the need to provide organisations with an accurate and cost-effective facility based on a pay-as-you-use fee schedule. Our employer-branded Payroll Portal is easy to use and our company is managed by a team of professionals in Payroll & HR with all ATO reporting & questions answered by our team of CPAs from our office in Melbourne.

PAY plus HR integrates with your corporate accounting system and is a leading cloud based system without the need to maintain backup as all the payroll function is readily available 24/7 from any device. PAY plus HR is easy for all your staff to use, whether you're processing payroll, HR manager preparing for an employee's performance appraisal or the Accountant or Financial Controller reviewing or processing the pay run.
