

Where your employee work-life experience is managed!

Cost-effective, innovative Payroll & HR cloud systems and solutions.

Providing Australian business of all sizes with a 100% Australian owned, low risk, high quality and up to date payroll and human resource solution. Supported by industry professionals. A competitive plus for every business!

Increased productivity: Managing HR & Payroll activities can be time consuming. PAY plus HR automates these tasks in its cloud-based Payroll and HR systems interfaces.

Compliance: Payroll errors can be expensive. Compliance with Fair Work Commission, NES & Modern Awards provides employers with confidence. We just don't process the pay!

Accuracy: No need to second guess! Have your Payroll and HR functions managed so your pay and confidential employee records are accurate and secure.

Easy for New Employees: An intuitive interface makes it easy for new employees to complete onboarding forms without formal training.

How your Payroll and HR needs are managed.

PAY plus HR is the intelligent employee system previously out-of-reach for businesses too small, or those who choose not to have a dedicated Payroll and HR department. It provides organisations with a flexible and cost-effective 'combined' Pay and HR solution that relieves time-consuming administrative tasks and ensures Payroll and HR obligations are processed accurately and compliantly.

Our managed services immediately brings businesses of all sizes, cost savings and expert knowledge from a strong team of allocated PAY plus HR Advisers who support the cloud-based information systems. We know every client is unique, so a consultative approach is also undertaken every time to provide a solution that will sustain your business goals.

"Don't change your company.
Change the way you work."

Save on staffing

Keep up with technology and legislative changes

Keep compliant with latest laws

Easy reports and insights

Why use managed services?

Moving to a contemporary services contracting model today can improve and optimise the management of your payroll and human resource function and workflows by providing reduced costs and the need for specialist administrative support staff.

PAY plus HR will also reduce your organisation's time and cost expenditure on business systems through the creation of predictable year-on-year Payroll and Human Resources expense budgeting. We will also ensure your company's legislative compliance to award updates, company specific EBAs and changes in employment and taxation laws.

We recognise the need to provide organisations with smart payroll and HR business solutions to improve services of today. PAY plus HR can offer implementation flexibility to meet your organisation's unique payroll and HR needs.

Your business will also eliminate the risk of unexpected costs for application software, hardware upgrades and support and administrative staff burdens.

Let your employees experience the difference with benefits such as:

- a personal approach
- improved productivity
- accuracy
- reliability
- speed
- insight
- accountability
- flexibility
- security
- peace of mind

About PAY plus HR

PAY plus HR is Australia's go-to service provider for payroll and HR business solutions. We recognise the need to provide organisations of today with an accurate and cost-effective offering based on a pay-as-you-use fee schedule so we can grow with you. Our employer-branded Payroll Portal is easy to use and our company is managed by a team of professionals in Payroll & HR with all HR, Payroll and ATO reporting & questions answered by our team of CPAs and expert practitioners from our offices in Melbourne.

PAY plus HR integrates with your corporate accounting system and is a leading cloud based system without the need to maintain server backup. All the payroll function is readily available 24/7 from any device. PAY plus HR is easy for all your staff to use, whether you're processing payroll, a HR manager preparing for an employee's performance appraisal or the Accountant or Financial Controller reviewing or processing the pay run.
